

# Philately meets Deltiology!

*the best of both worlds combined in a unique*

## Hand-Cancelled Stamps

### post card set

THIS NEWLY DESIGNED SET OF SIX 4" x 6" POST CARDS features enlargements of vintage 19th-century American hand-cancelled postage stamps & embossings. Chosen from the collection of William R. Schultz, nationally accredited Philatelist, Deltiologist and Postal Historian, author of *West Chester History: A Review in Early Postcards* (A Schiffer Book for Collectors, 2007).

The original postal materials were hand-cancelled, using the pre-automated era method of pen strokes or simple hand-stamps. The post cards represent hand-cancellations made at Cross Roads locations throughout the second half of 19th-century Pennsylvania.

Digitally printed in 4-COLOR on thick, 15-POINT satin matte finish stock (350 GSM) with a glossy coating applied to the front to help protect the surface from fading and moisture. The mailing portion thoughtfully allows for a 5/8" suggested safety margin for barcoding.

**Get all 6 cards for less than \$5!** Use the order form below. All cards are printed with pride in the U.S.A. and are available in any combination—or as a full set tucked into a protective and informative folder.

**Back:** Each card includes detailed information about the front.
